NOTICE TO BIDDERS

The Western State Bank Expo Center is seeking sealed bids for Tube Heaters. Bids must be addressed to the Ford County Clerk's Office at the Ford County Government Center, 100 Gunsmoke, Dodge City, Kansas 67801 clearly marked "Expo Tube Heater Bid" on the outside of the envelope. Bids will be received until 10:00a.m. on December 12, 2018, at which time all bids will be opened in the Ford County Clerk's Office. The following are to be considered minimum specifications. Bidder shall meet or exceed such specifications. The Ford County Commissioners will review the bids at their next regular meeting. The Board of County Commissioners has the right to reject any and all bids.

MINIMUM SPECIFICATIONS FOR GAS HEATING SYSTEM

Scope: Gas heaters shall be brand new items and submitted information shall include photos and exact product specifications. The product bid must meet or exceed the minimum requirements. Bid shall include cost for all new gas hookups, lines, and meters needed.

General: It is the purpose and intent of this specification to describe a heating system placed directly overhead of the seating and handicapped area on the east side of the rodeo arena.

MATERIALS:

Heaters shall be tube, radiant heaters with individual thermostat(s). Approximately 225'-250' total area in length to be covered and will be dropped an appropriate height from the ceiling to optimize efficiency to bleacher seating and handicap area. Estimated to be 10-12 feet above seating areas. All fixtures and materials must be able to withstand outdoor conditions such as dirt, wind, and moisture while promoting safety and being securely affixed. Heaters must be approved for outdoor use. Infrared heaters not accepted. Please include information on all standard items as well as any optional items that will be included.

FUEL REQUIREMENTS:

Bid must include cost of new gas line, fittings, and any other fuel related materials required for the heaters. Specific information on new line location and exact size must be included. Bid must also include information on venting materials and details of how heaters will be vented and the location of vents.

The Mission of Ford County Government is to build on our heritage, prepare for the future and provide quality services to our citizens.

ADDITIONAL FEATURES:

Lockable thermostat covers requested and information, along with photos, submitted with bid.
BTU information must be submitted.

Consideration given to bidders that can begin the work requested within a reasonable time after bid has been awarded.

Bidder must provide an estimated length of time to complete the project.

Must provide own boom lift to complete work needed.

The bidder shall attach to the submitted bid printed information published by the manufacturer of the requested items.
The bidder shall include photos to be used for reference along with product specifications including materials used in construction, dimensions, and weight.

The bidder shall provide an expected delivery date of items once ordered and detail any freight charges, unloading and assembly requirements, and other charges that may apply.

Submission shall meet or exceed all specifications listed.

Description: The winning bidder shall attach to the proposal submittals on all materials.

Warranty: Bidder shall supply any warranty information, if applicable.

Service: The bidder shall satisfy Ford County that all parts and supplies are of the best quality.

Licensing: Please provide any licensing/certification applicable to your field.
